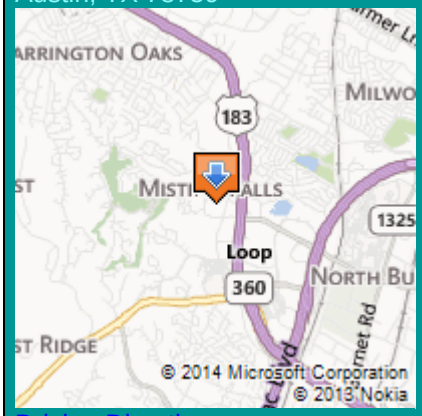
Add to Calendar

Where
The Avalon - Building 2 Conference Room
10415 Morado Circle
Bldg. 2
Austin, TX 78759



Driving Directions

Dear Chad,

Can you believe that it's already time for the August section meeting. This summer has shot by faster than a scalded dog. Anyway, we're gonna try to squeak in our last summer meeting on Friday August 16. We'll get together for a brown-bag luncheon at The Avalon - which is on the northwest corner of Braker Lane and Jollyville Road. We'll start with some Section business, including taking nominations for 2014 officers. We'll follow that with a presentation on adaptive signal control and wireless detection technologies by Marshall Cheek, P.E., PTOE with Trafficware: Engineered by Naztec.

Marshall is the Product Manager for SynchroGreen and ATMS.now at Trafficware. His previous experience includes designing and implementing traffic signals, specifically for bus rapid transit (BRT) and light rail transit (LRT) systems. Marshall is a 2005 graduate of Iowa State and a 2006 graduate of Texas A&M University. He is a licensed professional engineer in both Texas and Florida.

For lunch, you can bring whatever brown-bag you like. We'll be providing iced tea for a dollar, or a Jimmy Johns box lunch for $15. Please email me with your box order request by the end of the day Wed., Aug.14 so I can place the order Thursday morning. You can pay for the box lunch at the door or with the PayPal link on the registration page.

Register Now!

I can't make it

Please constact us if you have any questions regarding this meeting or any other Capital Area Section business.

We look forward to seeing you all in a couple of weeks.

Sincerely,

Chad Wood
